## New Jersey Department of Health COVID-19 Youth Summer Camp Standards:

- 1. Ensure that camps prohibit contact sports:** Camp games will be modified to be in compliance, yet still fun! i.e. basketball games will instead become shooting, passing, dribbling skills challenges, soccer will become shooting, passing, dribbling skills challenges, all games will be modified to ensure camper safety and social distancing, smaller groups participating in games at one time, kickball space between player and base, tag the plate instead of the person, etc.
- 2. Ensure that staff and campers are educated on social distancing, hygiene (hand washing, cough etiquette), proper use of face coverings and staying home when sick:** Morning meeting for all campers while taking attendance within their groups, will be reminded of “safe” practices, hand washing, social distancing behaviors, etc. Staff will be receiving training on aforementioned safe practices.

## New Jersey Department of Health COVID-19 Youth Summer Camp Standards:

**3. Adequate postings of signage encouraging hand hygiene, social distancing and COVID-19 prevention materials:** Signage will be up in all summer camp related areas.

**4. Drop off and pick up procedures:** Drop off/pick up will take place outside of fieldhouse with appropriate space in between campers, guardians, staff, etc. Drop off/pick up will be done by age group in the front of the field house. Rain day alternate procedure will also be provided. Parents “getting to work” will be given priority as much as possible this is a summer we must all work together as a “TEAM”. Times may also be staggered.

## New Jersey Department of Health COVID-19 Youth Summer Camp Standards:

**5. Temperature screening and health surveillance activities at entry for staff and campers. Exclude symptomatic staff/campers from site (provide isolation area for staff/campers who are already on-site that are exhibiting signs and symptoms):** All staff members/counselors will be temperature screened, children will be screened at drop off, isolation area for child who is exhibiting symptoms, staff will be trained in identifying symptoms. If a child or parent is exhibiting symptoms or have a fever parents are kindly advised to not bring their child to summer camp.

**6. Groups of campers (maximum of 10 indoors and 20 outdoors):** 10 campers per group as of (June 15th). One counselor per group with the exception of  $\frac{1}{2}$  year olds, which will have two counselors. Floating counselors will be stationed throughout fieldhouse to provide assistance, sanitation measures, additional supervision, and support.

## New Jersey Department of Health COVID-19 Youth Summer Camp Standards:

**7. Ensures food service avoids communal dining and stagger mealtimes:** Individually packed/delivered lunches, all hygiene/safety procedures taken, lunch times staggered, lunch tables spaced. Multiple eating areas. Counselors wearing masks and gloves.

**8. Routine cleaning and disinfection frequencies (deep cleaning prior to opening and after periods of closure due to positive cases):** Team85 housekeeping/maintenance staff as well as summer camp employees will be ensuring facilities are properly, and frequently cleaned, areas cleaned in between camper/group usage, equipment cleaned in between camper/group usage, etc.

# Additional Steps and Preventative Measures:

- ❑ Hand washing for campers when going from location to location, after games/activities. Hand washing/sanitizing will be allotted into daily camp schedule.
- ❑ Hand sanitizing stations set up throughout summer camp areas.
- ❑ Campers activities will be modified to ensure safety, hygiene, etc.
- ❑ Campers will not be allowed to mix between groups.
- ❑ Counselors will be staying with their assigned groups.
- ❑ Additional counselors hired for supervision, safety, cleaning, etc.
- ❑ No “outside” guests will be permitted in summer camp area where children will be.
- ❑ Socially distanced area for camper items/bags, etc. “Floating” counselors will be monitoring and assisting campers with getting personal items maintaining social distance, and space between campers belongings.
- ❑ Bathrooms will be monitored by counselors with limited campers allowed in restroom at a time to ensure social distancing.

# Additional Steps and Preventative Measures:

- ❑ Campers are not required to wear masks when social distancing measures have been taken.
- ❑ Staff members will have masks when social distancing measures are not applicable.
- ❑ Barriers will be set up in “higher traffic areas” to ensure social distancing measures are followed.
- ❑ “Outside” area of camp will be held in parking lot this year, canopy for shade for campers, roped off area of parking lot. New area for lunch, “outdoor games - hopscotch, four square, sidewalk chalk arts and crafts, etc.
- ❑ Arts and crafts will have individual items assigned per camper so no communal supplies, no communal crafting items.
- ❑ Classes i.e. ballet, yoga, dance will be held in studio with only summer camp staff and campers, social distancing will be maintained.
- ❑ All field trips have been cancelled.

# Additional Steps and Preventative Measures:
