FREE SWIM: Swim Test

If you have questions about swimming/swim test please reach out to our Aquatics department at 609-298-8585 ext. 212

For safety and to ensure all swimmers are comfortable and capable in the lap pool, a swim test is required for access. To swim in the deep end/lap pool, swimmers must successfully complete a swim test.

Test Guidelines:

- A swim test will be conducted every week
- Swimmers must swim in a safe and controlled manner, ensuring they maintain proper technique and avoid excessive splashing or straining.
- The swim test will be monitored by a lifeguard or swim instructor to ensure safety.
- Swimmers who pass the test will be issued a wristband indicating that they are authorized to swim in the lap pool. We will keep a list of all the swimmers that pass our swim test.

ADD-ONS

- Swimmers who do not pass the test will be required to stay in the splash pool.

Guide for checking compliance
 Step 1: Each child attending care/child must present proof of immunity or valid medical or religious exemption to vaccines.
 Step 2: Determine child's present age.
 Step 3: Find appropriate age range; if child falls between stated ages use lower age range requirements.
 Step 4: Compare record received with requirements listed on the chart below.

Age at which children <u>must have</u> vaccines to be in compliance	Minimum Number of Doses Required for Each Vaccine						
	DTaP	Polio	Hib	Pneumococcal (PCV)	MMR	Varicella	Influenza
By 3 months	1 dose	1 dose	1 dose	1 dose	None	None	None
By 5 months	2 doses	2 doses	2 doses	2 doses	None	None	None
By 7 months	3 doses	2 doses	2 doses	2 doses	None	None	1 dose ^a
By 11 months	3 doses	2 doses	2 doses	2 doses	None	None	1 dose
By 14 months	3 doses	2 doses	1-4 doses ^b (see footnote)	1-4 doses ^c (see footnote)	None ^d	None ^e	1 dose
By 16 months	3 doses	2 doses	1-4 doses ^b (see footnote)	At least 1 dose given on or after the first birthday	1 dose ^d	None	1 dose
By 19 months	4 doses	3 doses	At least 1 dose given on or after the first birthday	At least one dose given on or after the first birthday	1 dose	None	1 dose
By 20 months	4 doses	3 doses	At least 1 dose given on or after the first birthday	At least one dose given on or after the first birthday	1 dose	1 dose ^e	1 dose

Additional vaccines are recommended by the Advisory Committee on Immunization Practices (ACIP). The chart above lists only the vaccines that are required for child care/preschool attendance in NJ.
